

**Who's God?**  
A Skit By  
Thomas F. Fischer

**Needed:** Two People

**Situation:** Two friends meet, then start walking together and begin talking about God.

-----

1: Hey, how are you?

2: Really great. Why?

1: Well I have a question for you.

2: Go ahead!

1: Do you believe in...in God?

2: Of course I do! Doesn't everybody?

1: Well, I was just wondering.

2: Wondering, why?

1: Well I just wanted to know something about God.

2: What do you want to know.

1: Well, what is God? Is God a way-out, unknown force like...well an alien or something?

2: Oh, no! Not at all.

1: Then what is God?

2: God is a spirit. You can't see God.

1: Well, then how do you know God exists?

2: Look around you. What makes the trees grow? The plants? What makes the sun shine?

1: Well, scientist have all that figured out.

2: Do they? Do they really?

1: Sure, we know how the sun shines. There are all kinds of reactions that happen to make explosions. It's as simple as that.

2: But who made the first explosion? Ever thought of that?

1: Well, no. But...

2: And how did the world get here.

1: I know! It's called the *Big Bang Theory*. Everything just exploded and the universe began.

2: But who put everything that was there to explode before this so-called *Big Bang* thing?

1: Well, maybe there really is a God. But tell me, if there's a God, what—or who—is He?

2: He's all kinds of things. He's an AWESOME Creator. He made everything. And He takes care of everything and everyone.

1: Even me?

2: Of course!

1: But lots of people think God is mean and wants people to go to hell. Is that true?

2: Well it is true that everyone who sins deserves hell unless...

1: unless what?

2: unless they believe that God sent His Son, Jesus Christ, to die on the cross and forgive our sins.

1: You mean God has a Son?

2: Well, yes! How do you know that?

1: The Holy Spirit spoke it in the Bible. The Bible IS God's Word you know.

2: That's confusing. God is the Father. He's also the Son. And He's also the Holy Spirit. Hmmm...are you trying to play a joke on me?

1: No, not at all. We call God "Trinity" because He is three persons, yet one God.

2: Sounds pretty awesome. What do you call God?

1: I call Him Wonderful, Awesome, Powerful and Amazing. But you know what I like about God best?

2: What's that?

1: He's my Savior and Friend. He's your's, too.

2: You really think so?

1: I KNOW SO!

1&2: *(Spoken Together)*

"God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." John 3:16 (NIV)

1: That's MY God!

2: Mine, too!

1&2 *(Facing Audience)*: Is He Yours, too?
